CODE OF CONDUCT

Students, parents, teachers, counselors, administrators, and staff all have important roles to play in our school. With so many people working together, problems may occur from time to time. Rules have been made to deal with these problems. Like laws, rules apply to everyone, and they work only when everyone knows what they are.

The school must have proof that every student and every parent has had a chance either to read or hear read aloud the *Code of Student Conduct*. Signed form must be part of every student's records. Your signature verifies that you have received the booklet and you are aware of the rules and regulations therein. (It does not mean that you agree or disagree with them.)
